developed by our  
expert team

Sophia Cornelius, apetito Dietitian

# School Meals 2025

We are delighted to present our School meal range to you. Within this document you can view our full range of meals which are available to add to your menus.

## Dietary information

The dietary coding information for our meals are highlighted below. This document shows the correct dietary information at the time of publishing and is displayed to help you plan menus. Please check my apetito for up to date information when adding dishes to your menus.

DF - Made without Milk

Meals marked with a dot in the DF column indicate meals where milk & milk derivatives are deliberately not used in a recipe. We take care to avoid any accidental inclusion, but very small amounts could be present, meaning they may not be suitable for someone living with a food allergy.

GF- Gluten Free

A gluten free diet is essential for people with coeliac disease or dermatitis herpetiformis who are intolerant of the protein gluten found in wheat, rye, barley and for some, in oats. Treating these conditions involves following a strict gluten free diet. To help, we have a variety of gluten free main courses and desserts, prepared following strict criteria, to contain no more than 20 parts per million of gluten.

V- Vegetarian

Our range of vegetarian individual and multi portion meals deliver a range of vital nutrients using beans, pulses, cheese, eggs, and Quorn. Our vegetarian meals are free from meat, fish, and their derivatives, including gelatine, but may contain products such as vegetable fats or oils, milk, vegetarian cheese (using vegetarian rennet) or eggs.

V- Vegan (••)

Our vegan meals are made without any animal products, including meat, fish, milk and their derivatives, eggs and animal fats. We do not use honey as an ingredient in any of our vegan dishes.

Sophia Cornelius, apetito Dietitian

"We believe it's essential for children to explore new and exciting flavours from an early age, helping them develop a lifelong healthy eating habits. Our chefs carefully prepare every school meal with kids in mind, using nutritious ingredients, flavours they enjoy, and quality you can trust."
